Computer applications

FOSS LAB

My name is ANSH HANDA,i am from Delhi.I have done my graduation fom DELHI UNIVERSITY in BSc.

Statistics my hobbies is to watch sports and play sports,i have played cricket all my life i was the captain of my school and college cricket team and i have been also qualified for state level shooting

My mother is my greatest strength,she is everything to me i cannot imagine my life without her she is a very strong hearted woman who have seen lot of ups and down and once i start earning i want to give her all the happiness that she deserves.
